### Final Draft Sentences

1. I was born on the morning of July 31, 2007, and until 2016, I lived in Eugene, Oregon.
2. Since I lived next to the Willamette River, I learned to fish from an early age; the fishermen I met gave me lessons and fishing lures.
3. My grandfather, "Papa Carl," an engineer and a veteran of WWII, was the best; we played together all the time.
4. When my "cuz-uncle," Guy Davis, a world-traveling, Grammy-nominated blues musician came to visit, he played harmonica with me, and gave me great piggy-back rides!
5. I had a snuggly pet rabbit named Cinnamon.
6. I visited California with my mom in 2016: we hung out with surfers in Santa Cruz, visited the Golden Gate Bridge, and walked under a giant redwood tree.
7. I flew in a helicopter in Sedona: it was exciting to lift off and zoom through the red canyons.
8. I moved to the Oregon coast in 2016, and lived on Alsea Bay for 2 years.
9. The pandemic of 2020 was a strange time: the stores ran out of toilet paper, I sometimes had to wear a mask, and my hair was green.

10. Currently, I live in Newport, Oregon, and on many days, I walk my dog on the beach at the foot of the Yaquina lighthouse.
11. When I graduate from high school in 2026, I will travel to Japan; anime really got me interested in the culture.
12. Next year, I will get my license; if I had my choice, I'd cruise around in a Dodge.
13. This year, I will learn how to program computers and create video games; I really like computers, and I compete in virtual reality team sports like Echo VR ultimate frisbee, and train other players around the world how to do cool moves like flips and upside-down passes in a zero-G space simulation.
14. The life that I will lead in the future was influenced by my great experiences with family, friends, and outdoor activities; I have become someone who likes to laugh with people I care about, and who enjoys exploring the world.
15. In the future, I plan to start a computer games production, marketing, and consulting business, and will try to lead a good life filled with laughter, friends, pets, and family.
16. When I retire, maybe I will be floating around in zero-G in my condominium on the Moon!
